WHEAT AND SMALL GRAIN HARVEST IN THE PLAINS STATES

Information and map for
TEXAS, OKLAHOMA, KANSAS, COLORADO, NEBRASKA, WYOMING,
SOUTH DAKOTA, NORTH DAKOTA, AND MONTANA

## SEE THE COUNTY EXTENSION AGENT

The dates shown on this map are the usual harvest dates but may vary according to the season. The county agents will have current information on crop conditions, harvest dates by areas and counties, also information regarding the need for custom combines, trucks for hauling grain, tractor operators, and for individual harvest hands. His office or that of the farm labor assistant is usually located in the county seat, either in the courthouse or post office. In some towns temporary labor offices have been established on the main street. Many towns will have parking places for trucks and combines, and accommodations for harvest hands. Do not hesitate to visit, write, telephone or telegraph the county agent's office if you have need for information and assistance. and assistance.

Keep this map and use this information as you follow the harvest.
